

# Welcome!

On behalf of the sensational women of the Loudoun County Alumnae Chapter of Delta Sigma Theta Sorority, Inc., I would like to welcome you to our website. Our chapter consists of a diverse group of creative, inspirational, and professional women focused on fulfilling our sorority's national theme, "**Uncompromising Commitment to Communities: Service, Leadership, Empowerment.**"

After six years of commitment and dedication to uplifting Loudoun County, our goal is to continue to inspire and demonstrate a positive influence with the following community involvement: voter registration and education drives, mentoring programs for our youth, warm clothing outreach, social action and economic awareness and increased scholarship opportunities.

As we move forward in to the 21st century, our chapter is committed to the vision of our illustrious Founders, guided by scholarship, sisterhood, and service, all rooted in Christian principles. I encourage you to join us in supporting our programs that are based on Delta Sigma Theta Sorority, Inc.'s Five Point Programmatic Thrust:

- §  Economic Development
- §  Educational Development
- §  International Awareness and Involvement
- §  Physical and Mental Health
- §  Political Awareness and Involvement

If you are a member of the Loudoun County community and would like to partner with us, please contact me at [president@lcacdst.org](mailto:president@lcacdst.org). Additionally, if you are a member of Delta Sigma Theta Sorority, Inc. and are interested in re-connecting to build that sisterly bond, please don't hesitate to reach out to me.

Thank you for visiting our website to learn about our chapter programs and events. We encourage you to visit frequently to stay abreast of any of our future activities and community service projects.

Yours in Service,

**Katrina**
